Profile

Frontend Developer with 10+ years of experience building high-performance web applications using React, Next.js, and Tailwind CSS. Proven record of delivering pixel-perfect, SEO-optimized, and mobile-first UIs for startups and enterprises. Adept at turning complex requirements into scalable, user-centric solutions.

Core Skills: React, Next.js, Tailwind CSS, JavaScript, TypeScript, MySQL, WordPress, Git, Vercel, Agile

Work Experience

Web Developer - EMIDZ IT Solutions, Dubai

Nov 2024 – Oct 2025

- Designed and deployed full-stack applications using React, Node.js, and MongoDB with RESTful architecture.
- Created responsive, mobile-first UIs with Tailwind CSS, improving page speed by 35%.
- Customized dynamic WordPress websites with modern UI/UX principles and clientspecific functionality.
- Utilized Git and Vercel for version control and deployment, ensuring fast iteration and stability.
- Collaborated with cross-functional teams to deliver projects aligned with business requirements and deadlines.

Lead UI Developer - Yatnam Technologies, Kerala, India

Dec 2017 – Sep 2024

- Led UI team delivering React-based enterprise apps used by 10,000+ users.
- Developed responsive UIs with Tailwind CSS and Bootstrap, ensuring mobile-first optimization.
- Integrated REST APIs with front-end, improving data load speed by 40%.
- Mentored 5+ junior developers; implemented code review and Agile practices.
- Enhanced SEO and performance, reducing average load time from 6s to 3.5s.

UI Developer - Bharathi Information Technologies, Kerala, India

Jul 2015 – Oct 2017

- Built reusable UI components with HTML, CSS, and JavaScript.
- Ensured cross-browser compatibility and responsive design across platforms.
- Partnered with designers and developers to build visually compelling web interfaces.
- Enhanced user interaction with optimized layouts and consistent styling.
- Developed reusable UI components to reduce duplication and improve maintainability.

Technical Skills

- Languages:** HTML5 | CSS3 | SASS | JavaScript | TypeScript | PHP
- Frameworks & Libraries:** React | Next.js | Bootstrap | Tailwind CSS | Chakra UI | Material UI
- Databases:** MongoDB | MySQL
- Tools:** VS Code | Git | Vercel | Photoshop | Illustrator
- CMS:** WordPress

Key Competencies & Skills

• Front-End Development

- Expert in HTML5, CSS3, SASS/LESS, and responsive UI frameworks like Tailwind CSS, Bootstrap and MUI.

• JavaScript Ecosystem

- Proficient in modern JavaScript (ES6+), TypeScript, and libraries such as React, Next.js, and jQuery.

• Back-End Integration

- Experience with Node.js, PHP, MongoDB, and MySQL to support full-stack functionality.

• CMS & WordPress Development

- Skilled in building dynamic, custom WordPress themes and plugins with advanced UI components.

• Version Control & Deployment

- Hands-on expertise in Git workflows and deployment platforms including Vercel.

• Design Tools

- Competent in Adobe Photoshop and Illustrator for UI mockups and asset optimization.

• Cross-Browser Compatibility

- Developed consistent experiences across all modern browsers and devices.

• Agile & Team Collaboration

- Experienced in Agile environments, collaborating closely with UI/UX designers and backend teams.

• Performance Optimization

- Applied techniques to minimize load time and maximize performance in production apps.

• Leadership & Mentorship

- Guided junior developers through best practices in clean coding, testing, and deployment.

Education

• **Higher Secondary Certificate** | GVHSS Pullanur, Kerala, India – 2010

• **High School Certificate** | VHMHSS Morayur, Kerala, India – 2008

Languages

English, Malayalam, Hindi
